

Dear Parents/Carers

Just a quick message to thank you all for your continued support during these unprecedented times. It has been a very steep learning curve for us all over the past 2 weeks.

As you will be aware, there are a lot of home learning opportunities for you and your child to participate in on our website as well as the Facebook page. However, we appreciate that you are not teachers and you did not choose to home school your child/children. We do not expect you to teach your children or complete all of the daily activities.

If like me, you are working from home and/or have multiple children to entertain, home schooling is incredibly difficult. Just do whatever you can. That's what I am doing! This might be reading a story, watching a movie together, playing in the garden, making cakes. Whatever works for you! Do not feel bad if you are not getting official schoolwork done. It really does not matter. What does matter is that you and your children are safe and are enjoying each other's company- stress free.

Over the Easter holiday (3rd April – 19th April 2020), teachers will be taking a break. There will be no expectation to complete any work. Teachers will not be responding to emails or setting any work.

Please continue to email admin@westwoodprimary.org with your work/photographs or login difficulties and we will respond as soon as we can.

Enjoy the Easter break and we will be back for HOME LEARNING on Monday 20th April.

Kind Regards

Mrs Rae Aldous
