

A Unique Child

Every child is a learner from birth who can be resilient, capable, confident and self-assured.

Westwood Primary School

We aim to support children to achieve their individual goals. We will help the children to become confident through lots of praise and reassurance. We work alongside the children to support them with their individual challenges and celebrate all achievements.

We encourage children to be individual and celebrate difference, including all cultures and backgrounds.

Positive Relationships

Children learn to be strong and independent from a base of loving and secure relationships with parents and/or a key person

Westwood Primary School

We support all children to become strong and independent by providing them with a special key person. Each key person forms close relationships with their key children and the parents of their key children. Each key person is responsible for creating detailed records of the child's development and progress. These records are displayed in each classroom and shared with parents regularly. We encourage all parents to comment and add to their child's records.

The Early Years Foundation Stage Principles

During your child's time at our school their development will be extended, monitored and supported within these four themes

A Unique Child, Positive Relationships, Enabling Environments, Learning and development.

Enabling Environments

The environment plays a key role in supporting and extending children's development and learning

Westwood Primary School

We aim to provide an exciting indoor/outdoor environment that promotes and supports children's learning. All staff members are responsible for planning a learning environment that is based on the children's own interests and needs. We will observe the children using the environment to ensure that it meets all of the children's needs and interests.

Learning and Development

Children develop and learn in different ways and at different rates and all areas of learning and development are equally important and inter-connected.

Westwood Primary School

We understand that all children develop and learn at different rates. We support individual learning through detailed next step planning. We ensure that our environment promotes play and exploration. Our open access outdoor area provides the children with opportunities for continued active learning.
