

Data – Headlines

The tracking system in school is highly effective and we have been using a new assessment band system since September 2014.

Pupil Progress 2016-17

We are currently undertaking half-termly pupil progress meetings with each year group. It is the expectation that each child will make at least 5 steps progress per term. In Year 1 expected progress is 3+

This tracking system enables us to quickly identify gaps in learning and ensure that intervention/support is put in place. This data is triangulated with lesson observations, book scrutinies and moderation.
